

Dear iZandla member

iZandla is proud and excited to announce its partnership with eCPD Healthcare. This partnership will offer quality and continuous education to our members at a preferred rate.

eCPD® has been offering online accredited CPD courses to Healthcare Professionals since 1999.

They offer cost-effective, high quality accredited CPD activities to enable you to obtain your CPD points from the comfort of your own home via online learning.

Their courses are compiled by specialists in their respective fields, and an editorial board is responsible for maintaining the high quality of their course offerings.

Upon successful completion of an assessment, a CPD certificate is available immediately for download from the CPD Manager and a full report is available for submission to your council.

All the courses they offer are accredited by the HPCSA and approved by the HPCNA and AHPCSA.

eCPD Healthcare also offers access to:

- **Scholarly Journals**

Maximise journal impact through open access, expert publishing services, quality peer reviews, and cost-effective production

- **Open access publishing**

They are an open access publisher which means that all content is freely available without any additional charge to the reader. Readers are allowed to read, download, copy, distribute, print, search, or link to the full texts of the books, or use them for any other lawful purpose, without asking prior permission from the publisher or the author, provided that the work is appropriately cited.

At a fractional equivalent cost of two cappuccinos a month you as a member of iZandla can now have access to the above mentioned and be assured of all your required CPD points. There is no limit to the amount of courses that you can do. There are 65 short courses on offer presently on this platform purely relating to physiotherapy but there are also other courses you may be interested in e.g. latest update on asthma.

Please feel free to visit their website on <https://healthcare-ecpd.co.za> for more information.

To enjoy this remarkable offering you can contact our info desk at info@izandla.org.za to request a unique coupon code to quote when signing up for eCPD. This will allow you to join at the iZandla preferred rate.

Your membership will be verified with iZandla before your application is approved.
